Clint Sintim

[ILB](#), [Virginia](#)

War Room analysis

Strengths: Has a big frame and shows good strength. Holds his ground and flashes the ability to shed and make tackles against blockers. Is extremely tough and plays with an aggressive attitude. Attacks downfield with great quickness. Consistently fills running lanes aggressively and fast. Wraps up on tackles and can really lay hits on ballcarriers. Moves well laterally. Has a knack for collapsing the pocket and pressuring the quarterback. Plays with a non-stop motor. Can run with tight ends in man coverage down the seam.

Weaknesses: Lacks elite athleticism. Often is neutralized on perimeter plays. Loses opponents when dropping into coverage because of his lack of speed. Gets beaten easily by running backs in coverage. Must get better depth in zone coverage drops.

Bottom line: Sintim is an extremely physical player who was a solid contributor at Virginia. He can be dominant between the tackles but becomes a non-factor when the play breaks outside. Sintim projects as a future starter for a defense that allows him to attack, and he would be a home run for teams like the Patriots or Browns that play a 3-4 defense.
